AGREEMENT

between the European Community and the Republic of Colombia on precursors and chemical substances frequently used in the illicit manufacture of narcotic drugs or psychotropic substances

THE EUROPEAN COMMUNITY,

hereinafter referred to as the 'Community', on the one part, and

THE REPUBLIC OF COLOMBIA,

hereinafter referred to as 'Colombia', on the other part,

hereinafter referred to as the 'Contracting Parties',

DETERMINED to prevent and combat the illicit manufacture of narcotic drugs and psychotropic substances by controlling the supply of precursors and chemical substances frequently used for such purposes;

ACKNOWLEDGING Article 12 of the United Nations Convention of 1988 against Illicit Traffic in Narcotic Drugs and Psychotropic Substances;

AGREEING with the final Report of the Chemical Action Task Force (CATF), approved by the London G-7 Economic Summit on 15 July 1991, which recommended the strengthening of international cooperation by the conclusion of bilateral agreements, in particular between regions and countries involved in export, import and transit of these chemical substances;

CONVINCED that international trade constitutes a specific risk factor and that only cooperation arrangements between the regions concerned can prevent this danger, in particular by linking export and import controls;

AFFIRMING their common commitment to setting up assistance and cooperation mechanisms between Colombia and the Community in order to combat the diversion of controlled substances to illicit purposes, in harmony with the orientations and actions decided at international level;

RECOGNIZING that these chemical substances are also mainly and widely used for legitimate purposes and that international trade must not be hindered by excessive monitoring procedures;

2. For this purpose, the Contracting Parties shall assist each other, as set out in this Agreement, notably in:

- monitoring the trade between them in controlled substances, with the aim of preventing their diversion to illicit purposes,
- providing mutual administrative assistance ensuring that the provisions of the relevant substance trade control legislation are correctly applied.

With regard to the controlled substances listed in Annex A to this Agreement, the competent authority of the exporting Contracting Party shall, at the same time as the export authorization is issued and prior to the departure of the consignment, forward a copy of the export authorization to the competent authority of the importing Contracting Party. Specific information shall be provided where the operator benefits, in the exporting country, from an open individual authorization covering multiple export operations.
